

Pop Out Masjid

Print onto a soft card paper.

Colour and cut your masjid, hadith card and windows.

On the back piece of the masjid draw men or women or children praying.

Follow the directions below on how to fold the two pieces of the masjid.

Cut out the middle section of the front part of your masjid.

Glue the masjid together, flatten your masjid and let it dry to secure.

Optional, use tape on the sides of the seals to secure your masjid.

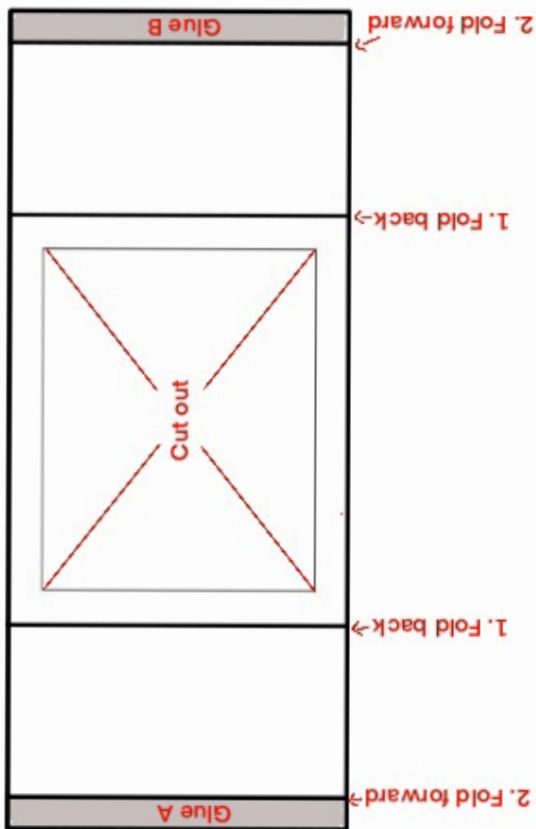

Glue windows on the outside masjid.

Take your hadith card and fold it in half, cut on the line you have made.

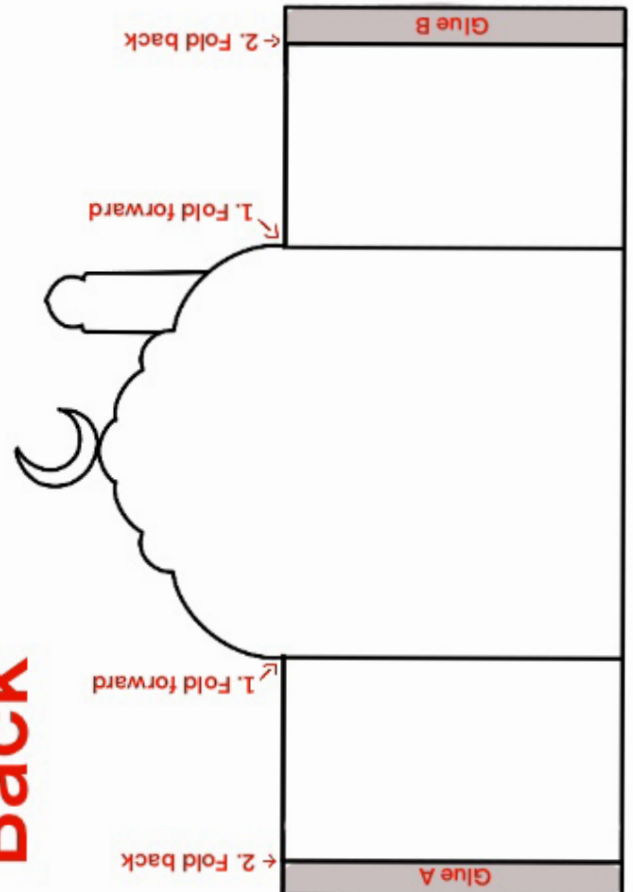

Lay your masjid flat, inside your rectangle hole at the front of your masjid, glue on each half of your hadith card.
